REPORT

[To accompany H. Res. ____]

The Committee on Rules, having had under consideration House Resolution ____, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of the conference report to accompany H.R. 1, the "American Recovery and Reinvestment Act of 2009." The resolution provides 90 minutes of debate on the conference report.

The resolution waives all points of order against consideration of the conference report except those arising under clause 9 of rule XXI and provides that the conference report shall be considered as read. The resolution waives all points of order against the conference report. This waiver does not affect the point of order available under clause 9 of rule XXI (regarding earmark disclosure). Finally, the resolution provides one motion to recommit, if applicable.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the conference report (except those arising under clause 9 of rule XXI) includes a waiver of clause 8 of rule XXII (requiring a three-day layover of conference reports and accompanying joint explanatory statements). Although the rule waives all points of order against the conference report, the Committee is not aware of any waivers against the conference report. The waiver of all points of order against the conference report is prophylactic.
